

Cap

A stringent geometry
in a charming lamp design

normann
C O P E N H A G E N

Inspired by a cartoon

Cap is a functional table lamp with an adjustable shade. The German design duo KaschKasch made the design. They have drawn their inspiration from the cartoon character Calimero, a charming little chicken with an eggshell on its head. It was this eggshell that gave them the idea for the large, semi-circular lampshade. The rounded shape creates a counterbalance to the stringent, geometric design.

Collection Overview

Cap Table Lamp
H: 50 x Ø28 cm

Product Facts EU

Description

In spite of its simple, geometrical shape, Cap oozes with personality. The inspiration is drawn from the cartoon character Calimero, a charming little chicken with an eggshell on its head, which gave the idea for the large, semicircular lampshade. The shade is rotatable, making it possible to direct the light.

Design

KaschKasch, 2014

Material

Powder coated steel

Construction

Cap is a functional table lamp with a rotatable shade. Its cylindric base with a sloping pole holds the included bulb. The lampshade slides over the bulb, turning it into a smooth rotation point of the lamp. The shade is white on the inside for optimal light reflection.

Cord

2 m textile cord with switch, matching color (White / Blush / Midnight Blue). ►

normann

► **Dimmable function**

No

Voltage

220-240 V

Frequency

50/60 Hz

Ip rating

IP20

Classification

Class II

Socket

E27

Max load

60 W

Light source - recommended

Art. No.: 504053, LED E27 EU, not dimmable

Power: 8 W

CCT: 2700 K

Output: 800 lm

Life Span: 15 000 h

CRI: ~ 80

General standards & certificates

EN 60598-1: 2008 +A11:2009

EN 60598-2-4: 1997
