

Shelter

A play on both
proportions and details

normann
COPENHAGEN

A friendly lamp full of character

Shelter is a simple, characterful table lamp that emits a cosy light onto its surroundings. The conical shape of its base and the rounded shade provide a soft and friendly feel adding a delightful contrast to the clean and sharp lines of the lamp. Shelter was designed by the Danish design duo HolmbäckNordentoft.

Product Facts EU

Description

Shelter is a simple, characterful lamp that emits a cozy light onto its surroundings. The white inner side of the shade provides a reflective effect while its wide, curved shape goes to direct the light making it pleasant and anti-dazzling.

Design

HolmbäckNordentoft, 2013

Material

Powder coated steel

Construction

Shelter is built up with a shade that rests on a three-armed steel construction on the base. The cable comes out smoothly through a shape detail of the base.

Cord

2 m textile cord with switch, matching color (White / Black).

Dimmable function

No ►
